Dear Parents and Students,

January 2021

Our Campership Committee helps with camping experiences for all Burbank children who are financially disadvantaged. Children of qualified families will be offered a week of COVID-19 compliant virtual or in person resident or day camp. There are a variety of camp programs available.

Here are guidelines for selection:

- Both the child and the parent want him/her to have the camp experience.
- Financial need must exist (must provide proof of income).
- Ages considered are 6-18 years.
- Campers must be Burbank residents or attend Burbank schools.
- First time campers will receive priority.

Final deadline for Spring camp is February 20th!

If your child is accepted for a Campership, a member of the BCC Campership Committee will contact you for further information and to answer any questions you may have. Parents must contribute \$10.00 for day-camp or \$25.00 for resident camp (cash, non-refundable) towards the total camp fee for each child attending. Special consideration will be given if there is more than one applicant in a family. **If a family cancels for any reason, they agree to repay BCC for full cost of camp expenses.**

If you have questions about the program, please call (818) 216-9377, Email bcc.camper@gmail.com, Website, burbankcc.org

To be considered for a Campership, please mail the form below to Burbank Coordinating Council at once or apply online at BurbankCC.org.
